COVID-19 SAFETY PROTOCOLS

The pandemic has surely changed the way we live our lives and Grove Grocery is no exception. Since March, we have altered our operations to ensure the safety of our patrons. This includes only allowing one patron inside of the food pantry at a time and wearing personal protective equipment (PPE) at all times during the visit. In addition, we have implemented grocery order forms as a convenient and contactless method for using the food pantry. That form can be accessed at bit.ly/UMFoodBankOrders.
